### Agreement to share your information

The Housing Options partners will collect and share your information with Glasgow City Council, other public organisations and relevant agencies so we can understand your needs better, improve services and avoid asking you for the same information more than once. The Housing Options partners, as landlords, will also collect and share your information for the purposes of assessing your needs for housing and to develop a Common Housing Register (CHR). This will make it easier for you to be considered for housing by a number of landlords and avoid you filling in separate registration forms for each. This means when you fill in a housing registration form you agree to your information being shared with other landlords, with other public organisations, organisations that handle public funds, social work services, your support worker, your nurse and other relevant agency as discussed with you.

**There may be occasions when there is sufficient concern about your or others safety or wellbeing, or for the detection and prevention of crime that your information will be shared before your consent is given or even if you do not agree to your information being shared.**

**I understand that information is held about me and agree that my personal information may be shared with other relevant agencies and professionals where you consider it appropriate. I have had an opportunity to discuss what this means.**

**I understand that the information I have given in this registration form is true. I also undertake to tell you about people aged 16 years or over who live in my home.**
