## REPORT & FINANCIAL STATEMENTS 31st March 2024

### REPORT OF THE MANAGEMENT COMMITTEE

The Management Committee present their Report and Financial Statements for the 18 month period ended 31st March 2024.

#### Legal Status

Rosehill Housing Co-operative Limited is registered with the Financial Conduct Authority as a fully mutual co-operative under the Co-operative and Community Benefit Societies Act 2014. The Co-operative is constituted under its Rule Book.

#### Principal Activities

The principal activities of the Co-operative are the provision, construction, improvement and management of rented accommodation.

#### Review of the Business and Future Developments

The members of the Management Committee are of the opinion that the state of affairs of the Co-operative is satisfactory. The surplus for the year after taxation, before the pension remeasurement, was £1,240,937 (30/09/22- £1,337,349). Net Assets now stand at £40,096,786 (30/09/22- £39,268,855).

The Co-operative is continuing to invest in its properties and over the next five years aims to complete a major programme of component replacements with 286 properties benefitting from radiator replacements, 473 properties benefitting from kitchens and boiler replacements, 366 properties benefitting from bathroom replacements, 195 properties benefitting from external door replacements and 140 properties benefitting from window replacements. Electrical upgrades are also scheduled for 380 properties and external render repairs to 24 properties.

Feasibility studies to build up to 45 new homes are ongoing.

#### Management Committee and Executive Officers

The members of the Management Committee and the executive officers are listed on page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Co-operative. The executive officers hold no interest in the share capital of the Co-operative and, although not having the legal status of directors, they act as executives within the authority delegated by the Management Committee.

Members of the Management Committee are appointed by the members of the Co-operative at the Annual General Meeting.

#### Risk Management

The Management Committee have a formal risk management process in place to assess risks and implement risk management control strategies. This involves identifying the types of risks the Co-operative faces, prioritising them in terms of potential impact and likelihood of occurrence and identifying means of mitigating the risks.

Material risks identified in the year include risks associated with the forthcoming introduction of Social Housing Net Zero Standard, ongoing cost of living challenges and loss of senior staff or Committee members.

#### Property Maintenance

The Co-operative seeks to maintain its properties to the highest standard and updates its Asset Management Strategy on an annual basis. Stock conditions surveys are completed on a five year rolling programme and form the basis of our long term investment programme. Planned and cyclical maintenance programmes are completed annually in addition to reactive maintenance.

#### Treasury Management

The Co-operative has an active treasury management function, which it operates in accordance with the Treasury Management Policy approved by the Management Committee. In this way, the Co-operative manages its treasury management activities to ensure that it is always in a position to meet its financial obligations as they fall due, whilst maximising the return on excess cash and liquid resources held.

#### Rental Income

The Co-operative's Rent Setting and Review Policy is a points based system based on the size, type and facilities of the accommodation. The policy ensures that the rent structure is easy to administer and covers the wide variations within the Co-operative's properties. Rent levels are reviewed on an annual basis.

### REPORT OF THE MANAGEMENT COMMITTEE (Continued)

#### Sustainability

The Co-operative is committed to sustainability and to ensuring that its activities contribute to the aims identified by the Scottish Government. The Co-operative seeks to integrate sustainability measures into all of its development activities including site design, methods of construction, procurement methods, energy sources and efficiency, waste management and maintenance of buildings and components. The co-operative also applies the principles of sustainability to the organisation and wider community by incorporating various measures in its activities including the recycling of waste, the minimisation of car journeys, the use of local suppliers and by using environmentally friendly materials where possible.

#### Health and Safety

The Co-operative takes its health and safety responsibilities seriously. All employees undertake regular health and safety training. The Co-operative consults with employees on health and safety matters so that their views can be taken into account in any decision making. Employees also participate in the completion of health and safety risk assessments.

#### Equalities

The Co-operative is committed to promoting and supporting equality and diversity in all aspects of our work. Our main policy objective is to ensure that our governing body, staff, tenants, customers, contractors and anyone else we have dealings with are treated equally and fairly. Details of how we support and deliver this objective are included in our Equalities and Human Rights Policy.

#### Statement of the Management Committee's responsibilities

The Co-operative and Community Benefit Societies Act 2014 and registered social housing legislation require the Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Co-operative and of the income and expenditure of the Co-operative for the year ended on that date. In preparing these financial statements, the Committee is required to:-

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Co-operative will continue in business;
- Prepare a statement on internal financial control.

The Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Co-operative and to enable it to ensure that the financial statements comply with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Registered Social Landlords Determination of Accounting Requirements - 2024. It is also responsible for safeguarding the assets of the Co-operative and for taking reasonable steps to safeguard the assets of the Co-operative for the prevention and detection of fraud and other irregularities.

#### Corporate Governance

In accordance with the requirements of the Scottish Housing Regulator, the auditors have confirmed that they consider this statement appropriately reflects the Co-operative's compliance with those paragraphs of the Code of Best Practice required to be reviewed by them. The auditors have also confirmed that, in their opinion, with respect to the Statement on Internal Financial Control, the Management Committee have provided the disclosures required by Paragraph 4.5 of the Code of Best Practice as supplemented by the related guidance for Management Committee and such statement is not inconsistent with the information of which they are aware from their audit work on the Financial Statements.

#### Statement as to Disclosure of Information to Auditors

So far as the Committee are aware, there is no relevant audit information of which the Co-operative's auditors are unaware, and each Committee Member has taken all the steps that he or she ought to have taken as a Committee Member in order to make himself or herself aware of any relevant audit information and to establish that the Co-operative's auditors are aware of that information.

### REPORT OF THE MANAGEMENT COMMITTEE (Continued)

#### Statement on Internal Financial Control

The Management Committee acknowledge their ultimate responsibility for ensuring that the Co-operative has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:-

- the reliability of financial information used within the Co-operative, or for publication;
- the maintenance of proper accounting records; and
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Co-operative's systems include ensuring that:-

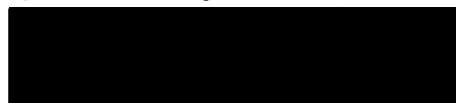

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of the Co-operative's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor the key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors, to provide reasonable assurance that internal financial controls are in place and are effective and that a general review of the major risks facing the Co-operative is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified from the above reports.

The Management Committee has reviewed the effectiveness of the systems of internal financial control in existence in the Co-operative for the period ended 31 March 2024. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

#### Auditors

The Auditor will be proposed for re-appointment at the Annual General Meeting.

## REPORT & FINANCIAL STATEMENTS 31st March 2024

### REPORT BY THE AUDITORS TO THE MANAGEMENT COMMITTEE OF ROSEHILL HOUSING CO-OPERATIVE LIMITED ON CORPORATE GOVERNANCE MATTERS

#### Corporate Governance

In addition to our audit of the financial statements, we have reviewed the Committee's statement on page 4 concerning the Co-operative's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Regulation of Social Housing in Scotland - Our Framework February 2019" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

#### Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2009/4 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Co-operative's procedures for ensuring compliance with the Guidance Notes, nor to investigate the appropriateness of the reasons given for non-compliance.

#### Opinion

In our opinion the statement on internal financial control on page 4 has provided the disclosures required by the relevant Regulatory Standards within the publication "Regulation of Social Housing in Scotland - Our Framework February 2019" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain Committee members and officers of the Co-operative, and examination of relevant documents, we have satisfied ourselves that the Committee's Statement on Internal Financial Control appropriately reflects the Co-operative's compliance with the information required by relevant Regulatory Standards contained within the publication "Regulation of Social Housing in Scotland - Our Framework 2019" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

## REPORT & FINANCIAL STATEMENTS 31st March 2024

### REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ROSEHILL HOUSING CO-OPERATIVE LIMITED

#### Opinion

We have audited the financial statements of Rosehill Housing Co-operative Limited (the Co-operative) for the period ended 31st March 2024 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows, the Statement of Changes in Equity and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Co-operative's affairs as at 31st March 2024 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements - 2024.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Co-operative in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Management Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the financial statements are not in agreement with the books of account of the Housing Co-operative; or
- we have not received all the information and explanations we need for our audit.

## REPORT & FINANCIAL STATEMENTS 31st March 2024

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ROSEHILL HOUSING CO-OPERATIVE LIMITED

#### Responsibilities of the Management Committee

As explained more fully in the Statement of Management Committee's Responsibilities set out on page 3, the Management Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee are responsible for assessing the Co-operative's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the Co-operative or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory frameworks that the Association operates in and how the Association is complying with the legal and regulatory frameworks;
- inquired of management and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud; and
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures, we consider that the most significant laws and regulations that have a direct impact on the financial statements were, but not limited to, FRS 102, Housing SORP 2018, the Scottish Housing Regulator's Determination of Accounting Requirements 2024, the Co-operative and Community Benefit Societies Act 2014 and the Housing (Scotland Act) 2010. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures against the requirements of the relevant financial reporting standards.

We also performed audit procedures to inquire of management, and those charged with governance whether the Association is in compliance with these laws and regulations, inspected correspondence with regulatory authorities including mandatory submissions to the Regulator, reviewed minutes of meetings of the Management Committee and relevant sub-committees, and reviewed available online information.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

##### Use of our report

This report is made solely to the Co-operative's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Co-operative's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Co-operative and the Co-operative's members as a body for our audit work, for this report, or for the opinions we have formed.

## REPORT & FINANCIAL STATEMENTS 31st March 2024

### NOTES TO THE FINANCIAL STATEMENTS

#### 1. PRINCIPAL ACCOUNTING POLICIES

##### **Statement of Compliance**

These financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (FRS102) (United Kingdom Generally Accepted Accounting Practice), the Housing Somp 2018 'Statement of Recommended Practice for Registered Housing Providers' and they comply with the Determination of Accounting Requirements 2024, and under the historical cost convention, modified to include certain financial instruments and investment properties at fair value.

The Co-operative is defined as a public benefit entity and thus it complies with all disclosure requirements relating to public benefit entities. The Co-operative is a registered social landlord in Scotland and its registration number is HAC174. The registered address is noted within the statutory information page at the start of the financial statements.

These financial statements represent the results of the Co-operative only and are presented in Pounds Sterling (GBP).

##### **Going Concern**

The Co-operative has a healthy cash and net current asset position and thus the Management Committee are satisfied that there are sufficient resources in place to continue operating for the foreseeable future. Thus, the Management Committee continue to adopt the going concern basis of accounting in preparing the annual financial statements.

##### **Revenue**

The Co-operative recognises rent receivable net of losses from voids. Service charge income (net of voids) is recognised when expenditure is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the assets to which they relate.

##### **Retirement Benefits**

The Co-operative participates in the Scottish Housing Associations' Pension Scheme (SHAPS) and retirement benefits to employees of the Co-operative are funded by contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

It has become possible to identify the share of underlying assets and liabilities belonging to individual participating employers as at 31 March 2019 and the scheme is now accounted for as a defined benefit plan, as opposed to defined contribution, for the benefit of its employees. No new benefits have been introduced and there is no change to the benefits themselves.

A liability for the Co-operative's obligations under the plan is recognised net of plan assets. The net change in the net defined benefit liability is recognised as the cost of the defined benefit plan during the period. Pension plan assets are measured at fair value and the defined benefit obligation is measured on an actuarial basis using the projected unit method. Actuarial valuations are obtained at least triennially and are updated at each balance sheet date.

**REPORT & FINANCIAL STATEMENTS 31st March 2024**

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**1. PRINCIPAL ACCOUNTING POLICIES (Continued)**

**Valuation of Housing Properties**

Housing Properties are stated at deemed cost less accumulated depreciation. Housing under construction and land are not depreciated. The Co-operative depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 11. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

| <u>Component</u>     | <u>Useful Economic Life</u> |
|----------------------|-----------------------------|
| Building             | 50 yrs                      |
| Roof                 | 40 yrs                      |
| External Wall Render | 30 yrs                      |
| External Doors       | 25 yrs                      |
| Windows              | 25 yrs                      |
| Radiators            | 30 yrs                      |
| Boilers              | 20 yrs                      |
| Bathrooms            | 25 yrs                      |
| Kitchens             | 15 yrs                      |

**Depreciation and Impairment of Other Non-Current Assets**

Non-Current Assets valued at £250 or more are capitalised and stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:-

|                        |       |
|------------------------|-------|
| Office property        | - 2%  |
| Computer equipment     | - 33% |
| Furniture and fittings | - 15% |
| Tools and equipment    | - 15% |

The carrying value of non-current assets are reviewed for impairment at the end of each reporting period.

**Social Housing Grant And Other Grants In Advance / Arrears**

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when those components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

#### 1. PRINCIPAL ACCOUNTING POLICIES (Continued)

##### **Judgements in Applying Policies and Key Sources of Estimation Uncertainty**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Management Committee to exercise judgement in applying Rosehill Housing Co-operative Limited's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, is disclosed below:

##### Rent Arrears - Bad Debt Provision

The Co-operative assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

##### Life Cycle of Components

The Co-operative estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

##### **Works to Existing Properties**

The Co-operative capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

##### **Key Judgements made in the application of Accounting Policies**

###### a) The Categorisation of Housing Properties

In the judgement of the Management Committee the entirety of the Co-operative's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS102.

###### b) Identification of cash generating units

The Co-operative considers its cash-generating units to be the individual housing property units which it manages for asset management purposes.

###### c) Obligations under SHAPS defined benefit pension scheme

The accounting for the pension scheme and the transition from defined contribution disclosure to defined benefit disclosure has relied on the actuarial assumptions of qualified actuaries' which have been reviewed and considered reasonable and appropriate.

##### **Financial Instruments - Basic**

The Co-operative recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Co-operative's debt instruments are measured at amortised cost using the effective interest rate method.

Any transaction between the Co-operative and an entity with which a Management Committee member has a connection is made at arm's length and under normal commercial terms.

## ROSEHILL HOUSING CO-OPERATIVE LIMITED

### REPORT & FINANCIAL STATEMENTS 31st March 2024

#### NOTES TO THE FINANCIAL STATEMENTS (Continued)

#### 21. RELATED PARTY TRANSACTIONS (Continued)

Transactions with Management Committee members (and their close family) were as follows:

- rent received from tenants on the Management Committee amounted to £86,915 (30/09/22 - £50,312)

At the year end total rent arrears owed by the members of the Management Committee amounted to £96 (30/09/22 - £1,088)

#### 22. GOVERNING BODY MEMBER EMOLUMENTS

Members of the Management Committee received £275 in the year by way of reimbursement of expenses (30/09/22 - £Nil). No remuneration is paid to members of the Management Committee in respect of their duties in the Co-operative.

#### 23. DETAILS OF CO-OPERATIVE

The Co-operative is a Registered Society registered with the Financial Conduct Authority and is domiciled in Scotland.

The Co-operative's principal place of business is 250 Peat Road, Glasgow G53 6SA

The Co-operative is a Registered Social Landlord that owns and manages social housing property in the City of Glasgow.

#### 24. RETIREMENT BENEFIT OBLIGATIONS

##### General

Rosehill Housing Co-operative Limited participates in the Scottish Housing Associations' Pension Scheme ("the Scheme"), a multi-employer scheme which provides benefits to some 150 non-associated employers. The scheme is a defined benefit scheme in the UK. At 31st March 2024 there were 7 (2020 - 9) active members of the Scheme employed by Rosehill Housing Co-operative Limited.

The Scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the scheme for funding purposes was carried out as at 30 September 2021. This valuation revealed a deficit of £27m. A recovery plan was put in place to eliminate the deficit which ran to 30 September 2022 for the majority of employers. No further deficit recovery plan was considered necessary following the 2021 valuation.

The Scheme is classed as a 'last man standing arrangement' therefore Rosehill Housing Co-operative Limited is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the Scheme. Participating employers are legally required to meet their share of the Scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

For financial years ending on or before 28 February 2019, it has not been possible for Rosehill Housing Co-operative Limited to obtain sufficient information to enable it to account for the Scheme as a defined benefit scheme, therefore Rosehill Housing Co-operative Limited has accounted for the Scheme as a defined contribution scheme.

For the financial years ending on or after 31 March 2019, it is possible to obtain sufficient information to enable Rosehill Housing Co-operative Limited to account for the Scheme as a defined benefit scheme.
