

During the year we have seen some changes in the staff team as follows:

## Corporate and Customer Services Team

Following Sophie Turnbull, successfully being appointed to the promoted post of Housing Assistant within the Generic Team, Housing Services, the post of Customer Services Assistant became vacant. Eileen Toner initially joined Rosehill to fill the post on a temporary basis. However, following a recruitment process, Eileen was successful in being appointed permanently.

## Technical Services Team

In May 2024, Christine Hay and Grant Craig joined the team. Christine took up the post of Technical Services Officer, having previously worked for another housing association. Grant is our Factoring Co-ordinator, having previously worked in factoring in the private sector.

More recently Jade McGowan took up the vacant post of Admin Assistant, having previously worked for another housing association.

## Housing Services Team (Income Team)

Rhona McCaughey joined the Income Team earlier this year. Rhona initially was filling the vacant post of Housing Assistant on a temporary basis, but following a recruitment process was successful in being appointed permanently.

## Finance Team

In the summer we said goodbye to Claire Williamson, Finance Officer who decided to retire after 18 years at Rosehill. We wish Claire a long, healthy and happy retirement.

We welcomed Tracy Connell the new Finance Officer to Rosehill in June. Tracy joined Rosehill from Audit Scotland.

In October we welcomed our new Finance Manager, Liam Donnachie to Rosehill. Liam had previously worked with another Housing Association as a Group Accountant.

Our Finance Admin Assistant, Scott Haldane has just recently left Rosehill to head off to pastures new with another Housing Association. We wish him well in his new post. We welcome back Jacqueline McLeish, who has worked with us previously on a temporary basis, to cover different vacancies. Jacqueline is temporarily covering the Admin Assistant post.
