

Business Plan 2021 – 2026: Key Priorities for 2025/26

Consultation Leaflet

Introduction

Due to the change in our financial year, effective from 1st April 2024, this coming year will be the last year of our current Business Plan 2021-26.

We are currently looking at what our priorities should be for 2025/26. Our proposed priorities are linked to our 7 Strategic Objectives:

1. Provide high quality affordable homes
2. Engage effectively with our tenants and service users
3. Deliver value for money
4. Be innovative and risk aware
5. Build and contribute to effective partnerships
6. Use resources efficiently and effectively
7. Achieve the highest standards in all that we do

We have almost completed the third year of our Business Plan and are now seeking your views on our proposed priorities for the final year (April 2025 to March 2026).

We are keen to hear your views and suggestions and would ask that you complete the accompanying survey.

In the Spring newsletter, we will publish the key results from our Annual Business Plan ending 31st March 2025.

Priorities for 2025 - 26

Our Management Committee and Management Team recently held its annual business planning event to consider a number of matters including:

- Where we were at with achieving our priorities for Year 3;
- The challenges facing Rosehill and the Social Rented Sector;
- Understanding the local and wider context that we operate within.

Taking account of the above, the proposed priorities for the coming year were identified. Some of these priorities are essential to the effective ongoing management of Rosehill. However, there are other priorities which we are seeking your feedback on. Your views and suggestions are invaluable to us and having your say can help shape what Rosehill does.
